

Early Childhood Education II—Mrs. Smith-Wallace

***Second course requirement of the Gold Seal Scholarship**

Purpose:

To prepare students to become preschool teachers. Students will acquire competence in activities and development of infants, toddlers, preschoolers, school age children to age eight and special needs children.

Topics:

- 1st semester: Basic Curriculum Development
Theories of Child Development
Nutrition, environment, heredity and health
Infants and Toddlers:
 Sensory integration activities
 Physical health activities
 Self-help activities
Preschoolers:
 Motor development activities
 Cognitive development and general knowledge
2nd Semester: Field experience—implementing the above topics

FCCLA:

Family, Career and Community Leaders of America is an integral part of this course and organizational activities are part of the curriculum.

Lab Activities:

Instructional and learning activities are provided in a classroom setting using hands-on experiences along with the utilization of computers, VCR/DVD, recreational games and gadgets.

Dues & Fees: \$50 (the list is just some of what is provided)

Supplies: Scissors, Glue, Poster board, Construction paper, Science board, various craft materials, Crayons, Markers, Rulers, FCCLA dues

Equipment: Laminator, Color printer, Die cut machine, Hole punches, Overhead projector, EIKI

Dues & Fees are due by Monday, September 17th.

Dues not collected by this date will disqualify the student from participation in FCCLA competitions and events. Fees not collected by this date will place the student on the BHS obligation list.
